

ENVIRONMENTAL PEST CONTROL
GENERAL PEST - MOSQUITO - TERMITE

BED BUG CHEMICAL TREATMENT PREP SHEET

Before we can service your home for bed bugs, please have this check list completed before the technician arrives at your home. If you have any questions please feel free to call or email us at any time.

- Wash and dry all clothes, then place and seal them in garbage bags.
- Pull all furniture away from walls and unplug all electrical outlets.
- Clothes must remain bagged until the completion of all treatments.
- Remove all pictures from walls and leave in the room.
- Empty all closets, night stands, and dressers.

Your home must be vacant at the time of treatment and must remain vacant for 4 hours after treatment. Our technicians will call you as soon as they are done so you know when it is safe to re-enter your home.

****If you are not prepared at the time of treatment you may be charged a \$50 travel fee****

Thank you for choosing Environmental Pest Control
